After a long, cold winter and a rainy spring we're ready for summer!

The first meeting of the Half Moon Lake Association for the 2003 season will be held on Saturday, July 12, at 10:00 a.m. at the home of our Treasurer, 44 South Shore Drive, Center Barnstead. (For any newcomers, call for directions - 776-4970 or 776-6934).

Dues are payable at the meeting and they are \$5.00 a year per household. They can also be paid to your local association representative or mailed in with the form below.

Half Moon Lake Tee Shirts will be available at the meeting and may be purchased for \$10.00 each. Prepaid orders will be taken then for more.

Bring any questions or concerns you may have to the meeting on July 12 and if you notice any safety violations on the lake call the Marine Patrol at 293-2037. Volunteers are needed as lake watchers or water testers!

Please notify your guests or renters of our rule that boats must travel in a counter-clockwise direction and that the State rule is that there are no jet skis allowed on the lake on weekends.

The Ramp rule: Clean all boats before putting them into the lake and when taking them out also. Because there is Milfoil in Locke Lake please do not take your canoes or kayaks through the culvert between the lakes!

If you have not taken your Safe Boating Education Class as yet, call either 293-0091 or 1-888-254-2125 to learn where and when classes (\$10.00 since January 2003) will be held. You may also take the course online at www.boat-ed.com/nh for a fee of \$15.00. Complete information on the law and classes can be found at www.state.nh.us Click on "get boating safety certificate."
