

HALF MOON LAKE ASSOCIATION MEETING NOTICE

Greetings! Another summer season is almost upon us. The first meeting of the Half Moon Lake Association for the 2005 season will be held on Saturday, July 16th at 10:00 a.m. at the Gilbert's house at 52 South Shore Drive, Center Barnstead. Please bring your own chair.

There will not be any nominations for new Lake association officers this year since that was done at last year's meetings.

As many of you may have heard, Kent Locke, Jr. has sold his property which includes the house, the airport property AND the boat ramp. Informal discussions with the new owners indicate the boat ramp will remain open and accessible. We may want to discuss options for securing a more permanent agreement with the new owners.

I would like to head up an effort to get some more Half Moon Lake T-shirts made but I would first like some indication of how many of you would buy them since most places have a "minimum quantity". The price will be \$10.00 per shirt. We will have a sign up sheet available at the meeting. I plan on using the gray T-shirt with a "Loon" design on the front for this next round since it appears to be popular. If you can't attend the meeting but would like a T-shirt, please send me an e-mail at the address shown below. Please include the size and quantity. Depending on the response, I will determine if I can move forward on this.

Our lake water testing volunteers will continue to monitor the lake and bring the results to our meetings.

Remember the counter-clockwise direction on the lake for all boat traffic.

Boating certificates are required this year for people 38 years old and younger. The boating course and exam can be accessed on-line at the following address: <http://www.boat-ed.com/nh/>. This site also gives you access to the official NH state boating law that requires this certificate.

Dues are \$5.00 per year, per household and are payable at the meeting. You may also mail them using the form below.

See you on July 16th!
