

Greetings Halfmoon Lake Association Members,

The next Association meeting for the 2015 season will be held on **Sunday, August 23<sup>rd</sup> at 11:00** in the Dining Hall at Camp Mi-Te-Na. We have a full agenda including a guest speaker from the Loon Preservation Committee of NH who will speak about the many measures taken to protect and maintain our loon population.

Attached is a copy of the minutes from the July 2015 meeting. Please bring a copy of this with you to the meeting to help reduce the cost of duplicating expenses. We will be sending out an agenda and Financial summary just prior to the meeting.

Camp Mi-Te-Na is located at 65 YMCA Rd, Alton, NH 03809. Access to the Camp is just off of Route 28 at the juncture of Prospect Mountain Road. You will see a large sign. Please be sure to park in the upper parking lot and walk down to the Dining Hall.

Best regards,  
Kate Brown  
HMLA Secretary
