

SEASONS GREETINGS from the Officers and area Representatives
of the Alton-Barnstead Halfmoon Lake Association

Since you were visited this past summer the wheels of progress have been turning to the point of completing the building of the Dam at the Culvert. The Contract was awarded to the New Hampshire Concrete Corp. and construction was completed just as the snow began to fly in the first storm of the year. In order to complete this major project a unified front was needed and received, for this we express our sincere thanks. Our answer to an interlake connector is now cast in concrete.

Participation in this project has been excellent for the short time we had to collect funds before the end of the season.

Of the 117 Lake property owner prospects 94 pledged financial support:
94 of 117 = 80%

Seventy three (73) of the 94 have paid their pledges to date.
73 of 94 = 78%

Attached is a listing of pledging members who have paid to date.

Those not having paid should forward their check to our Treasurer Mr. Frank Brewster, 4 Crescent St., Pittsfield, N.H., 03263. The remaining funds to be collected will be kept in reserve for attorney fees in the event of any sudden move against our association.

STATEMENT OF ACCOUNT -- November 24, 1967

Total Receipts	\$3,871.00
Expenditures	<u>3,053.70</u>

Balance--Pittsfield	
Savings Bank	\$ 817.30

It has been proposed that the Association hire the town grader to condition the roads to the camps around the lake. Frank Brewster is now checking with the Alton and Barnstead road agents to get an estimate of the cost. We would appreciate your thoughts and ideas regarding this project.

OVER

From Mary Thacker for your thought. As you
can see they have turned up the letter. I did
not receive a reply from Frank or Bob regarding
the letter as if there are any complaints they
belong to me. I hope the boys up North
don't have muddled heads. Bob originally wanted
a listing of Hoyt paying member and Frank
was questioned ^{NOTE NUMBER OF} mailing list was not complete.

SINGLE NAMES RATHER THAN HUSBAND + WIFE PLUS 3
WITHOUT MAILING ADDRESSES. All minor problems
and I'm sure of no major concern
