

July 21; 1968

GREETINGS FROM THE OFFICERS AND AREA REPRESENTATIVES
OF THE ALTON-BARNSTEAD HALF MOON LAKE ASSOCIATION
SPONSOR AND BUILDER OF THE INTERLAKE DAM.

Our Officers and Representatives meeting was held this date at Vice President Jim Parish's camp.

It was agreed to hold two officers and representatives meetings each year. The second Sunday in July at 10:00 AM and the last Sunday in August, preceding Labor Day weekend at 10:00 AM.

It was agreed to have Area Representatives collect yearly dues of \$1.00 each year, with membership cards to be given out at that time.

It has been proposed to have Association officers and Representatives elected for three (3) year periods for continuity of operation.

It has been noted that any member or group can request change of their Area Representative, which would require a vote in their area.

It was agreed to hold accumulated funds in the bank for future needs concerning our original project, (Prevention Of Interlake Connector), or other lake wide problems, which would require a majority vote by financial supporters of original project.

Our Treasurer, Frank Brewster, submitted a Financial Report as listed.

Statement Of Account July 21, 1968.

Total Receipts	\$4,133.43
Expenditures	<u>\$3,102.66</u>
Balance Pittsfield Savings Bank.	\$1,030.77

President Bob Hickey is formulating Association Bylaws which will be available later this season.

Many thanks for your wonderful support over this past year. Even though we are not actively engaged in a physical project at this time, we still need your continued support and will endeavor to keep you abreast of Lake happenings so that we will not encounter future encroachments of our Lake rights.

Sincerely,

Bob Hickey, President
