

ALTON BARNSTEAD HALFMOON LAKE ASSOCIATION

SUMMER '84

The first meeting of the Association for this season will be held on Sunday, July 8. The meeting is scheduled for 10:00 a.m. at Frank Brewster's cottage. Area Representatives are urged to attend or send someone to represent the area.

This meeting is open to all members of the Association. Suggestions, requests, or complaints relative to summer activities on the lake, in addition to any other problems you feel might exist, should be directed to the attention of your Area Representative or officer of the Association.

Last year several of the navigational buoys on the lake were cut loose or moved and had to be relocated. This kind of vandalism is extremely dangerous and could result in serious personal injury and/or extensive property damage to your boat. If you should observe this type of activity, please contact proper authorities or an officer of your Association.

Due to circumstances beyond our control, the canoe and water ski contests were cancelled last summer. We need volunteers to serve on the committee if these activities are to be resumed this year. Persons who are willing to serve on the Water Activities Committee, please plan to attend the meeting, or call John Marmaras, 776-5771.

Yearly dues of \$2.00 are now payable. As of June 1, 1984, the Association's balance in the New Hampshire Savings Bank was \$112.28, and in our Money Market account in Putnam Daily Dividend Trust was \$1693.47, for a balance on hand of \$1805.75.

Have a happy and safe summer!
